

Springfield Country Club

Full-time Position Springfield Country Club Springfield, Ohio

Springfield Country Club is looking for new full-time employees to join the golf course management team. Individuals with an educational background in turfgrass management or related field, or working toward a degree are preferred but not necessary. Candidates must be outgoing, hardworking individuals with good communication skills. Experience in golf course maintenance is preferred but not necessary. Position will require 35-45 hours/week including weekends, depending on the time of year. Job duties include mowing, bunker and landscape maintenance, tree removal and trimming, fertilizer and pesticide applications, and course setup. Other opportunities to learn budgeting, team building, leadership, and chemical and fertility programs will also be developed. Springfield Country Club has hosted the Ohio Am, the Ohio Senior Am, and the US Senior Challenge. Springfield Country Club has also hosted The US Open Sectional Qualifier for 10 of the last 11 years, one of only 13 host sites internationally. Our goal is to provide the best possible playing conditions daily, and provide a first-class, modern golfing experience on our 1921 Donald Ross course.

Requirements

Outgoing personality, strong work ethic and willingness to learn
Ability to work within small groups or individually
Experience operating small hand and mowing equipment

Compensation

Hourly wage depending on experience
Uniform
Golfing privileges
Paid Vacation
Employee contribution health insurance

Date Available March 15th, 2019
